

## ANNUAL REPORT 2024 - 25

### Annual report:

*“May be there is a road ahead of it, May be there is a new world down the road, Walking forth is the only plight, because we didn’t come this far to come this far only “*

A heart filled with aspirations is all that we knew since the very existence of the school and that’s what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

### **Academics**

Achieving academic excellence is at the heart of endeavour of all educators and academic institutions. An important measure of this pursuit is how the institution has performed, the most important of which is the Annual, School-ending examinations conducted by the CBSE.

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”

The year 2024 commenced on a wonderful note when the results of our 10th class CBSE Board Examination came out. We are happy to share with the details of the commendable performances of our students.

We attained 100% result with all first divisions. Total 39 students appeared and 14 got more than 90% marks with distinction, 37 students scored above 75% Master Juvel V A secured 99.2% stood district first rank and Master Sai Pranav stood state 3<sup>rd</sup> rank with 98.8% score

- Excellence in academics is the hallmark of any good institution and class 10th results of the school prove without any doubt that our students made us proud.

Competitions and academic activities that extend beyond textbooks and classrooms play a vital role in nurturing a healthy competitive spirit and enhancing effective communication skills among students. These activities take place at various levels, including classroom, school, and inter-house competitions. Examples of these events include handwriting, essay, speech, and writing contests. Additionally, competitions are organized for poetry recitation, storytelling, debates, English and Hindi elocution, general knowledge, and quizzes. Prizes are awarded during school assemblies.

Every year, the Science, Math, and English Olympiads are held, with students excelling at both local and national levels. Reading Day was highlighted by a memorable book exhibition in the school library, where students either brought their own books or received books and magazines to read, all aimed at fostering a love for reading.

Art Integrated Learning has been a defining feature of the school even before it became mandatory by CBSE. An extensive Art Exhibition is organized annually, attracting considerable attention and showcasing the enthusiastic contributions of students.

### **CAPACITY BUILDING PROGRAM FOR TEACHERS:**

In an effort to enhance teachers' knowledge, the school organized a series of Teachers' Workshops. This initiative addressed a variety of important topics, including Moral Values, Life Skills as outlined by CBSE, Meditation & Stress Management, English Language, and Mathematics. Additionally, our educators participate in training sessions and workshops held at other schools. They have attended various workshops such as those focused on foundational stages, Nurturing Early Childhood, and Adolescence Management, as well as workshops covering different academic subjects. The teachers who attended then share their newfound knowledge with their colleagues, thereby expanding the collective wisdom within the school.

### **Counseling Sessions...**

Students preparing for Board Exams receive guidance and motivation from the school counselor concerning their career options. Each year, multiple workshops focused on Board exam preparation are held.

- English Days are organized for middle and secondary school students to enhance their proficiency in the English language.
- The Santhwanam Society conducted a drug awareness session aimed at middle and secondary students.
- The Vedhik Civil Service Club has been established in the school, offering various online counseling sessions facilitated by the Vedhik team.
- A counseling session for parents was conducted by Mr. Joseph Antony, Managing Director of Mark and Phil Mind Workshop.

### **COMPETITIONS:**

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates, Quiz, Declamation, Creative-Writing, Spelling-Bee, Rhyme and Rhythm, Drawing and Power-Point competitions. Our students took part in Sahodaya Competitions and brought laudable laurels to the school.

We achieved

- 3<sup>rd</sup> rank in Sahodaya exhibition
- 1<sup>st</sup> runner up in Sahodaya Skating competition

- Ashlyn K Abin, Captain of Kerala team secured the gold medal at National Roller Netted ball champion ship
- Gokul Hari , won 3<sup>rd</sup> prize in state Kalotsavam painting competition
- Jacob Philip won bronze medal in national roller netted ball championship under the Kerala team

### **NATIONAL DAY CELEBRATIONS**

The school celebrates all the National festivals like Independence Day, Republic Day, Teachers day and Children's Day with great respect and devotion to the country and to the country men.

### **FIELD TRIPS**

As a part of the curriculum, we had our field trips for all classes. The trip to Naval base was very informative. Field trips were arranged to many important places. Our junior globalians has their visits to fire station, poultry farm, spinning mill etc.

### **COLOUR CONCEPT DAY:**

kindergarten students celebrated their Colour Concept

All the children from the KG department, and their teachers, were dressed colourfully to celebrate this occasion. The classrooms too were decorated with different colours to welcome our children. Our tiny tots looked beautiful with their coloured attires. The day began with a short prayer and continued with various activities like singing rhymes and jingles on colours, colour identification game etc. They were taught to make balls with coloured papers. All the children enjoyed this special day and went home with smiles on their face. The motive of celebrating Colour Concept day is to create awareness in children on different colours. Through these activities children develop psychomotor and cognitive skills.

### **INTRODUCTION OF HOUSE ACTIVITIES**

"Do activities as you're passionate about, which makes your heart and soul feel perky." In order to groom and bring out inner talent we conduct various in house competitions for students like home science, karate, skating, chess, drawing, music, drums , dance and art and craft.

### **CLUB ACTIVITIES**

Each club offered a unique opportunity for students to explore their interests and develop new skills. For example, the Language Club hosted weekly language exchange sessions where students could practice speaking different languages with their peers. The Mathematics Club organized puzzle-solving competitions, challenging students to think critically and creatively.

In the Science Club, students conducted experiments and shared their findings at the annual science fair, fostering a spirit of inquiry and innovation. The Eco Club took the lead in organizing tree-planting drives and educating their peers about sustainable practices, promoting a greener future.

Meanwhile, the Quiz Club held monthly trivia nights, encouraging students to broaden their knowledge on a variety of topics. The Health Club focused on promoting wellness, with workshops on nutrition and mental health awareness.

Through these engaging activities, students not only gained knowledge but also developed teamwork and leadership skills, creating a vibrant and supportive community within the school. It was a rewarding experience that left a lasting impact on everyone involved.

## **SCHOOL RADIO**

This platform offers an incredible opportunity for students to express themselves creatively and develop their communication skills. The excitement in the studio is palpable as students eagerly prepare to share their talents with their peers. Each broadcast is a unique showcase of the diverse abilities present within our school community.

Listeners are treated to a vibrant array of performances, from heartfelt poems that touch on personal experiences to captivating stories that ignite the imagination. The news segment, delivered with professionalism, keeps everyone informed about both school events and global happenings.

Moreover, the radio sessions foster a sense of camaraderie among students as they collaborate and support each other in their endeavors. It's a wonderful way for students to build confidence, enhance their public speaking abilities, and discover new interests. Parents and teachers often tune in as well, offering encouragement and celebrating the achievements of the young broadcasters. Overall, the school radio is more than just a program; it's a cherished tradition that continues to inspire and nurture talent.

### **Parents' and Teachers' Association:**

A General Body Meeting of parents is held on a regular basis and new members of the PTA were nominated for the year 2023-24.

Since then PTA meetings have been arranged periodically, the PTA members of our school are closely involved in most academic activities. We thank and congratulate them for their support and co-operation through the years.

### **Co-curricular and Extracurricular activities:**

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in-depth potential of students. The activities are conducted throughout the year.

Some of these events are Fancy Dress Competition, Flower arrangement, card making, Best out of waste, poster making, chart making as well as dance competitions. Food festivals were

also conducted in the Winter carnival. Participation by the students and teachers in these events was very commendable.

### **Games and Sports Competitions:**

When students are physically fit, they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit. It helps children to develop mental and physical toughness. Bearing this in mind, the school provides ample opportunities for students to perform regular exercises and yoga, and to play and prove their mettle in various sports and games. Many students have participated in various events like: Athletics, Badminton, Basketball, boxing, Karate, Martial Art, Skating etc and have won laurels at the school.

Our sports day was celebrated in a grand manner . Students participated in different items and shown their talent.

### **Celebrations:**

**Life is a celebration. We just need persons to celebrate it.**

To foster national integration, international understanding, religious and cultural awareness and tolerance, various national, religious and cultural festivals and occasions were celebrated with due pomp and grandeur.

- **National Festivals:** Independence Day, Republic Day, and Kargil Vijay Divas were celebrated with due reverence for our motherland with patriotic songs and dances.
